## **2022 Summer Camps**

Hello Youth!

Summer is only a couple months away which means our summer camps are rapidly approaching. This summer there will again be three summer camps offered at New Hope. **We need your help in staffing the camps.** Without you, we couldn't offer these camps to the children in our community. Any youth in middle school or high school may apply. Below is our 2022 Summer Camp lineup:

### **Liftoff – A New Hope Kids Camp (VBS)**

**Sundays, June 12th -July 17th**

*For Preschoolers (ages 4 &5) & Elementary Age Children in Grades 1-6*

Volunteers may be assigned to work with a group of children as Team Leaders and travel with them through the various stations throughout the morning. Volunteers may be assigned as "Station" assistants, to help with snacks, crafts, and games. Approximately 10-15 volunteers are needed.

### **Arts Camp**

**Monday through Friday, June 20<sup>th</sup> – 24<sup>th</sup>**

*For Elementary Age Children in Grades 1-6*

Volunteers are needed to assist the various teachers at their stations. Other volunteers are needed to supervise a group of children as they travel to the various stations throughout the morning and during snack time. Only 6 youth will be compensated (*see below*). Other youth are welcome and encouraged to volunteer.

### **Basketball & Cheer Camp**

**Monday through Thursday, June 27<sup>th</sup> – 30<sup>th</sup>**

*For Elementary Age Children in Grades 1-6*

Volunteers are needed to work with a team of 6 to 10 children, leading them to five different teaching stations, and supervising their team during scrimmages. A couple of volunteers will also be needed to help prepare and serve refreshments during the daily snack time. Approximately 20 to 25 volunteers are needed.

**Both the Basketball/Cheer Camp and VBS Kids Camp are volunteer positions. Six youth volunteers working in the Arts Camp are compensated.** \$100 will be placed in the youth's account at New Hope which can be used to pay for various events and activities associated with the New Hope Youth Ministry. Workers/volunteers are expected to be at the camp from 8:30 am to 12:30 pm each day of camp.

**To apply to volunteer/work at any camp, complete the form on the other side of this paper and turn it into the office or any New Hope Staff member.** You are encouraged to do this as soon as possible, as only a limited number of workers are accepted for each camp. Submitting an application does not guarantee your acceptance as a volunteer/worker.
