Week 4

Life Group Discussion Questions

Getting Started

- What is humility and how can we exhibit it?
- Why are silence and incredible work ethic important?
- What is wisdom? What does the Bible say about wisdom?

Digging Deeper

- Do you think the years Joseph spent in prison prepared him for when he was made 2nd in command?
 - What do you think Joseph felt in that waiting period? (Between the cupbearer's release and interpreting pharaoh's dream?)
- As Joseph's position changed (prison to palace) he stayed the same, he was faithful, a man of integrity and character.
 - Why is it important to stay the same whenever our circumstances in life change?
- What can help us stay anchored when God gives us new positions?
- Why is it important that we don't blame God for our failures?
- What group would you put yourself in (Winning, Wanting, or Waiting)?
 - How can you honor God in the winning, wanting, or waiting?(remember, waiting time is not wasted time)
- What gets in the way of recognizing God's presence in our lives?
- Is it necessary to remain quiet and do the work? Why or why not?

Let's Get Practical

- What practical steps can we take to grow in wisdom?
- How do we wait with patience and grace without losing hope?
- How do we keep first things first?
- Is there someone you know who is waiting? Maybe get together with them, encourage them, pray with/for them.
- Are you in the winning group? Is there someone God is putting on your heart to mentor/disciple?

- **Are you in the wanting group? How did you find your healthy rhythm? Maybe share that with someone when the opportunity presents itself.**
