### Policies and Procedures:

In order to assure that all parents/guardians clearly understand the policies and procedures of the New Hope Preschool Program, we ask that you **read and initial** the following items:

\_\_\_\_\_ I understand that I (or a designated **adult 18 or older**) must walk my child to their classroom and make sure that my child is signed in and out of the attendance book each day they attend New Hope Preschool. I will also make sure that a staff member is aware that my child has been dropped off.

\_\_\_\_\_ I agree that if my child is ill, I will keep him/her home until they have been symptom free for 24 hours. (Fever, vomiting, diarrhea, etc.)

\_\_\_\_\_ I will inform New Hope Preschool in writing of any changes in address, phone number, emergency contact information or any changes in the family situation.

\_\_\_\_\_ I understand that toys from home will not be allowed. Any toy brought from home will be taken up and given back to the parent. New Hope Preschool and its staff are not responsible for toys brought from home.

\_\_\_\_\_ I understand that I need to send my child with appropriate clothes to be played in, including close-toed shoes. (NO flip-flops.) I also understand that there should always be a change of clothes or 2 in his/her backpack.

\_\_\_\_\_ I understand that the program is built to prepare my child for Kindergarten and classes are set up for certain age groups with age cut off dates for each class. Teachers are not obligated to teach outside of their age range. New Hope Preschool will place children in classes first because of their age and then after 1 month if you and the teacher feel the age is not appropriate for your child, we will meet and discuss holding back or moving up your child.

\_\_\_\_\_ I have read and understand the New Hope Preschool Family Handbook (available on the New Hope Preschool Webpage, as well as in the church lobby).

**Termination of Service:**

We reserve the right to terminate any enrollment at New Hope Preschool due to the following reasons:

- Non-sufficient funds
- Abuse of children, staff or property
- Violation of New Hope Preschool program policies
- Disruptive or dangerous behavior towards children or staff
- The program's inability to meet the child's needs

By signing this contract, all parties agree they have read the Admission Agreement, and acknowledge and agree to all terms and policies stated.

# IMPORTANT INFORMATION FOR PARENTS

## CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

### How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

### How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/contact.htm>.

### Information about life-threatening peanut/Tree nut allergies.

Dear Parent,

This letter is to inform you that multiple students in your child's school have a severe food allergy to peanuts/nuts. It is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking your help to provide the student with a safe school environment.

Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child that will be eaten in the classroom. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.

We appreciate your support of these procedures. Please complete and return this form so we are certain you have received this information. Please contact me if you have any questions.

Director: \_\_\_\_\_ Date \_\_\_\_\_

I have read and understand the peanut/nut free classroom procedures. I agree to do my part in keeping the classroom peanut and nut free.

**TERMINATION AND SUSPENSION POLICY**

Children may be suspended or terminated from the program only for reasons listed below:

SUSPENSION MAY BE NECESSARY FOR NON-PAYMENT OF TUITION. Delinquent payments must be paid in full prior to re-admittance. (Reference Payment, Policies identifying verbal contact with parent within first week of delinquency. Two weeks delinquency may result in suspension following written notice.)

SUSPENSION OR TERMINATION OF CHILD CARE SERVICES MAY OCCUR IF:

- A child has developmental or serious behavioral issues that cannot be adequately met by our staffing plan. Example: children who continually place themselves, other children or staff at risk of physical harm. (Information and referral sources are available to parents upon request.)
- Parents consistently arrive late to pick up their child. Information and referral about alternate care options available upon request.
- Non-payment of tuition.

Verbal expression of concerns, written evaluation of issues, and Parent conferences will precede suspension.

- If a parent's behavior interferes with the orderly conduct of the school or is otherwise disruptive, that parent's child may be terminated from the school without written notice

**PROCESS FOR TERMINATION AND SUSPENSION FOR CHILD BEHAVIOR ISSUES**

- New Hope Preschool teachers are responsible for informing the Director of serious concerns they have for a child in their classroom.
- When it is determined there are concerns for a particular child in the classroom, the Lead Teacher will informally communicate with the parents and Director. If the problem continues, a minimum of three (3) written observations of the child will be recorded. Parent conferences will be encouraged if the problem remains unsolved.
- The Director will contact the parents in person, by telephone, or by a letter sent home with the child. The Director will arrange a mutually convenient time for a conference with the Director, Teacher and parents. The Center's concerns will be clearly identified in writing.
- After the conference, should the problem seem irresolvable, New Hope will decide whether the child must leave the program. The parents will receive a written statement from the Center including the reason for termination, summary of the Center's observations, interventions made by the Center, and all efforts made by the Center.

Termination of any child's enrollment (whether Center or parent initiated) shall be managed in child-focused manner to prepare the child for termination from the program in a way consistent with the child's ability to understand.

**WE WANT YOU AND YOUR CHILD'S EXPERIENCE TO BE A POSITIVE ONE. PLEASE FEEL FREE TO SHARE OBSERVATIONS, QUESTIONS, CONCERNS, AND SUGGESTIONS.**

## LATE PICK-UP POLICY

**(As stated in the parent Handbook)**

It is important and necessary for you to pick up your child on time. A child whose ride is late experiences great anxiety and worry. It is difficult for the child/children and for the teacher who often needs to prepare for the next class or attend to duties outside of our program. We understand that emergencies do happen. If an emergency occurs, please take the time to give us a call. *There is a \$5.00 fee per child for the first 1-10 minutes you are late, and an additional \$1.00 per minute afterward which is due when you pick up your child.*

The following steps will be taken if you are more than 15 minutes late in picking up your child:

- Continue trying to contact the parents at the numbers listed on the emergency card.
- Call the alternate emergency numbers listed on the emergency cards.
- If after 30 minutes there still has been no contact with a parent or an emergency contact person, the Chula Vista Police Department will be notified.

**2024-2025 INFLUENZA VACCINATION**  
**WRITTEN DECLINATION FORM**

I understand that the California Health & Safety Code section 1596.7995 requires that I obtain a flu shot between August 1 and December 1 each year or provide this declination.

**I ELECT NOT TO HAVE A FLU SHOT IN 2024-2025.**

I acknowledge that I was aware of the following facts:

- Influenza is a serious respiratory disease; on average, 36,000 Americans die every year from influenza-related causes.
- Influenza virus is contagious for up to 24 hours before symptoms begin, increasing the risk of transmission to others.
- Some people with influenza have no symptoms, increasing the risk of transmission to others.
- Influenza virus changes often, making annual vaccination necessary. In California, influenza usually begins circulating in early January and continues through February or March.
- I understand that the influenza vaccine cannot transmit influenza.
- I understand that the influenza vaccine does not prevent all disease.
- I declined to receive the influenza vaccine for the 2024-2025 season.
- I acknowledge that influenza vaccination is recommended by the Centers for Disease Control and Prevention for all early childhood education workers in order to prevent infection from and transmission of influenza and its complications, including death, to students, my coworkers, my family, and my community.

***Knowing these facts, I chose to decline vaccination for the 2024-2025 flu season.*** I have read and fully understand the information on this declination form.
