A Christ-Centered environment with a carefully balanced program that will have a positive influence on the spiritual, cognitive, social, and physical development of each child.

Our mission is to empower young children to become confident, curious, and compassionate learners through a play based, child centered curriculum that celebrates individual strengths and fosters a lifelong love of learning.

Our Philosophy:

The purpose of our program:

The purpose of New Hope Preschool is to prepare each child for school, socially, academically, and spiritually.

We believe in the power of play as the primary vehicle for learning, and our mission is to provide a stimulating and engaging environment where children can explore, discover, and grow at their own pace.

We seek to provide a loving caring environment where children can feel secure and successful away from home, and become familiar with "school." Our goal is to help them develop wholesome attitudes about themselves and others. Information about life-threatening peanut/Tree nut allergies.

Dear Parent,

This letter is to inform you that multiple students in your child's school have a severe food allergy to peanuts/nuts. It is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking your help to provide the student with a safe school environment.

Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child that will be eaten in the classroom. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.

We appreciate your support of these procedures. Please complete and return this form so we are certain you have received this information. Please contact me if you have any questions.

Director: _____

I have read and understand the peanut/nut free classroom procedures. I agree to do my part in keeping the classroom peanut and nut free.

TERMINATION AND SUSPENSION POLICY

Children may be suspended or terminated from the program only for reasons listed below:

SUSPENSION MAY BE NECESSARY FOR NON-PAYMENT OF TUITION. Delinquent payments must be paid in full prior to re-admittance. (Reference Payment, Policies identifying verbal contact with parent within first week of delinquency. Two weeks delinquency may result in suspension following written notice.)

SUSPENSION OR TERMINATION OF CHILD CARE SERVICES MAY OCCUR IF:

- A child has developmental or serious behavioral issues that cannot be adequately met by our staffing plan. Example: children who continually place themselves, other children or staff at risk of physical harm. (Information and referral sources are available to parents upon request.)
- Parents consistently arrive late to pick up their child. Information and referral about alternate care options available upon request.
- Non-payment of tuition.
- Verbal expression of concerns, written evaluation of issues, and Parent conferences will precede suspension.
- If a parent's behavior interferes with the orderly conduct of the school or is otherwise disruptive, that parent's child may be terminated from the school without written notice

PROCESS FOR TERMINATION AND SUSPENSION FOR CHILD BEHAVIOR ISSUES

- New Hope Preschool teachers are responsible for informing the Director of serious concerns they have for a child in their classroom.
- When it is determined there are concerns for a particular child in the classroom, the Lead Teacher will informally communicate with the parents and Director. If the problem continues, a minimum of three (3) written observations of the child will be recorded. Parent conferences will be encouraged if the problem remains unsolved.
- The Director will contact the parents in person, by telephone, or by a letter sent home with the child. The Director will arrange a mutually convenient time for a conference with the Director, Teacher and parents. The Center's concerns will be clearly identified in writing.
- After the conference, should the problem seem irresolvable, New Hope will decide whether services will be terminated. The parents will receive a written statement from the Center including the reason for termination, summary of the Center's observations, interventions made by the Center, and all efforts made by the Center.

Termination of any child's enrollment (whether Center or parent initiated) shall be managed in child-focused manner to prepare the child for termination from the program in a way consistent with the child's ability to understand.

WE WANT YOU AND YOUR CHILD'S EXPERIENCE TO BE A POSITIVE ONE. PLEASE FEEL FREE TO SHARE OBSERVATIONS, QUESTIONS, CONCERNS, AND SUGGESTIONS.

LATE PICK-UP POLICY

(As stated in the parent Handbook)

It is important and necessary for you to pick up your child on time. A child whose ride is late experiences great anxiety and worry. It is difficult for the child/children and for the teacher who often needs to prepare for the next class or attend to duties outside of our program. We understand that emergencies do happen. If an emergency occurs, please take the time to give us a call. *There is a \$5.00 fee per child for the first 1-10 minutes you are late, and an additional \$1.00 per minute afterward which is due when you pick up your child.*

The following steps will be taken if you are more than 15 minutes late in picking up your child:

- Continue trying to contact the parents at the numbers listed on the emergency card.
- Call the alternate emergency numbers listed on the emergency cards.
- If after 30 minutes there still has been no contact with a parent or an emergency contact person, the Chula Vista Police Department will be notified.

2024-2025 INFLUENZA VACCINATION

WRITTEN DECLINATION FORM

I understand that the California Health & Safety Code section 1596.7995 requires that I obtain a flu shot between August 1 and December 1 each year or provide this declination.

I ELECT NOT TO HAVE A FLU SHOT IN 2024-2025.

I acknowledge that I was aware of the following facts:

- Influenza is a serious respiratory disease; on average, 36,000 Americans die every year from influenza-related causes.
- Influenza virus is contagious for up to 24 hours before symptoms begin, increasing the risk of transmission to others.
- Some people with influenza have no symptoms, increasing the risk of transmission to others.
- Influenza virus changes often, making annual vaccination necessary. In California, influenza usually begins circulating in early January and continues through February or March.
- I understand that the influenza vaccine cannot transmit influenza.
- I understand that the influenza vaccine does not prevent all disease.
- I declined to receive the influenza vaccine for the 2024-2025 season.
- I acknowledge that influenza vaccination is recommended by the Centers for Disease Control and Prevention for all early childhood education workers in order to prevent infection from and transmission of influenza and its complications, including death, to students, my coworkers, my family, and my community.

Knowing these facts, I chose to decline vaccination for the 2024-2025 flu season. I have read and fully understand the information on this declination form.
